

SIMPLE GREEN® SUPERYACHT SOLUTIONS

UNIQUE FEATURES:

- **Non-Caustic & Multi-Surface Effective:** Cleans a variety of surfaces and materials without harsh chemicals.
- **Safer:** Eco-friendly, biodegradable formulas that are safer for guests, crew, and marine life.
- **Versatile and Cost-Effective:** Reduces onboard product inventory by offering multi-surface cleaning solutions; concentrated formulas can be economically diluted.
- **Protects Premium Materials:** Helps safeguard delicate materials like gold leaf, exotic woods, vinyl, and carbon fiber.
- **Oil Spills:** Approved for use on the sea to break down oil.
- **NSF Registered:** For use in galley and other food prep areas.

TRUSTED BY SEA SHEPHERD.

We proudly donate our product to aid their ocean protection efforts.
